
Parent Friendly Behaviour Policy

The importance of good behaviour

At our school, we encourage our children to develop socially, personally and academically. To do this, good behaviour from all pupils is important in all areas of school life - including homework, uniform and preparedness for learning.

We expect children to:

- Wear the correct school uniform
- Be prepared - have PE kit on the right day
- Complete homework on time and to a good standard
- Have their reading/homework diary signed by an adult at home
- Show appropriate behaviour in all areas of school.
-

How do we promote good behaviour?

The behaviour policy is supported through a variety of different strategies, which include our:

- Our Values Statement
- planned curriculum work
- SEALs (Social Emotional aspects of Learning) curriculum
- planned assemblies
- teaching and learning styles
- well organised school routines
- high expectations and consistency from all staff
- specific, targeted support for those experiencing difficulty

The 'Good to be Green' system

- Each class has a traffic wall chart that contains three coloured cards: GREEN, AMBER and RED.
- The day is broken up into five individual lessons.
- At the beginning of each lesson, the pupils start by being 'GREEN' on their chart.
- Should a pupil do something that is not the expected standard of behaviour, they are given a verbal warning which should be sufficient to remind the pupil what is expected.
- If the pupil continues to behave unacceptably, they are placed onto the AMBER section. It is pointed out to the pupil that they have a choice about how to behave.
- If the pupil corrects their behaviour (and makes the right choice), they can go back to GREEN.
- A child is moved onto RED if the pupil's unacceptable behaviour continues.
- There are rewards for the pupils who sustain being GREEN all lesson
- Those children who display exceptional behaviour will be moved onto the Weelsby Star and rewarded with extra points.

Some rewards for GREEN behaviour include:

- Points to be spent in our reward shop
- Star of the week
- Golden time rewards.
